

DUL KIPLI KURNIAWAN

Information Systems Graduate | Application Developer | UI/UX Designer
Email: dkiplikurniawan@gmail.com
Phone: +62 823-6076-0559
Location: Medan, North Sumatra, Indonesia | Nationality: Indonesian

PROFESSIONAL SUMMARY

Information Systems Graduate and Application Developer specializing in Mobile Development (Flutter), UI/UX Design, and AI/AR integration. Proven track record in developing accessible software solutions, leading real-time Indonesian Sign Language (BISINDO) translation applications, and contributing to commercial software development. Recognized as a National Finalist in the 2023 Student Digital Innovation Competition (LIDM). Adept at cross-functional teamwork, user-centered design, and applied research—seeking international software engineering opportunities and master's degree scholarship programs.

EDUCATION

Universitas Muhammadiyah Sumatera Utara (UMSU) — Medan, Indonesia
Bachelor of Science in Information Systems | GPA: 3.70 / 4.00 | Oct 2019 – Aug 2023

- **Fully Funded Thesis Award:** Awarded a fully funded thesis research program at Universitas Pendidikan Indonesia (UPI), Bandung, following selection as a National Finalist in LIDM 2023.
- **Academic Achievements:** 3rd Place Winner in the University Logic Debate Competition (2022).
- **Leadership & Service:** Served as Master of Ceremonies for major university academic events and led student tech division activities.

MAS Jeumala Amal — Aceh, Indonesia
Islamic Boarding High School Diploma | Jun 2016 – Jun 2019

PROJECT & WORK EXPERIENCE

Lead Software Developer — DEAFSAPP Project
Final Year Thesis & SLB Melati Aisyah Community Service | Medan, Indonesia | 2022 – 2023

- Engineered a Flutter-based Augmented Reality (AR) mobile application translating Indonesian Sign Language (BISINDO) into text and real-time speech.
- Integrated machine learning models for gesture recognition, achieving a 76.1% recognition accuracy and a 76.5% positive usability score across field tests with 17 students and 8 teachers.
- Architected end-to-end software pipeline combining markerless AR, gesture detection, and speech-to-sign conversion following accessibility standards.
- Managed complete software development lifecycle (SDLC), from requirements gathering to deployment, resulting in registered Indonesian Intellectual Property (Hak Cipta) and National

Finalist standing in LIDM 2023.

UI/UX Designer & AI Application Developer Intern — Codinglab.id
Software House | *Medan, Indonesia* | 2022

- Designed responsive user interfaces and interactive user flows for client web applications using Figma.
- Assisted in integrating production-ready machine learning models into web and mobile backend architectures.
- Collaborated with senior engineers on enterprise software projects across government and private sectors.
- Participated in client requirement gathering, sprint planning, and design iteration sessions.

UI/UX Designer — Pangkasin.Id Startup Application
Wirausaha Merdeka (National Student Entrepreneurship Program) | *Medan, Indonesia* | 2022

- Conducted user research and created high-fidelity interactive wireframes for a barber booking platform.
- Delivered visual design guidelines and prototype iterations ensuring consistent brand identity and high usability.

CERTIFICATIONS & CONTINUING EDUCATION

- **Stanford University School of Medicine:** Race in Science, Technology, & Medicine Series – *Racism in Medical Education: Our Turbulent Push Toward Equity* (Completed Feb 2022 | 1.25 AMA PRA Category 1 Credits™).
- **Hak Cipta (Indonesian Copyright Registration):** Intellectual Property Rights Holder for DEAFSAPP Sign Language Learning Application (2023).

PUBLICATIONS

- **Kurniawan, D. K.**, et al. (2023). *Pengaruh Kecanduan Game Online pada Remaja terhadap Perkembangan Psikologi Anak dengan Tingkat Kecemasan Orang Tua* [The Influence of Online Game Addiction Among Adolescents on Child Psychological Development and Parental Anxiety Levels]. Published on ResearchGate.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

Himpunan Mahasiswa Sistem Informasi (HIMASI) UMSU
Member, Research and Technology Division | Oct 2019 – Aug 2023

- Hosted and moderated faculty-wide technology seminars and organizational work programs as Master of Ceremonies.
- Organized community empowerment initiatives and IT literacy workshops at local orphanages and schools.

Ikatan Mahasiswa Muhammadiyah (IMM) UMSU
Member, Community Empowerment Division | Oct 2019 – Aug 2023

- Executed social welfare programs and youth mentorship projects focused on community empowerment.

HONORS & AWARDS

- **National Finalist:** Student Digital Innovation Competition (LIDM), Ministry of Education, Culture, Research, and Technology of Indonesia (2023).
- **3rd Place Winner:** University Logic Debate Competition, UMSU (2022).

SKILLS & LANGUAGES

- **Programming & Frameworks:** Python, Flutter Framework, PHP, HTML, CSS, MySQL
- **Design & Tools:** UI/UX Design (Figma), 3D Modeling (Blender), Git, Microsoft Office
- **Languages:** Indonesian (Native), English (Upper-Intermediate | IELTS 5.5)
- **Core Competencies:** Human-Computer Interaction (HCI), Accessibility Design, Machine Learning Integration, Public Speaking, Agile/Scrum Collaboration
